Dear Colleagues and Professionals,

We invite to participate in the 1st International Conference & Exhibition on Siddha Medicine (ICESM-2018), (Including Pre Conference Workshop) organized by the Unit of Siddha Medicine, University of Jaffna with the support of the Ministry of AYUSH, Government of India, New Delhi (in process), the Dept of Indigenous Medicine, Northern Province, Jaffna, Sri Lanka on 23rd to 27th February 2018.

Unit of Siddha Medicine

The Siddha system of Medicine is one of the Indigenous Medical system in Sri Lanka. The Siddha Medical science is still pulsating with life and vibrant with worldwide recognition because of the intrinsic values of the science. In Sri Lanka Siddha system was established along with Ayurveda and Unani systems of medicine in 1929 as the College of Indigenous Medicine at Borella, and is affiliated to the University of Colombo. Thereafter it was upgraded as Institute of Indigenous Medicine. At the request of Tamil educationalists, the Siddha section was transferred to the University of Jaffna from the Institute of Indigenous Medicine, University of Colombo on 2nd July 1984 as Department of Siddha Medicine under the faculty of Arts. The Department of Siddha Medicine became a separate unit under the direct administration of the Vice Chancellor since 1st October 1993. The Unit is going to upgrade as an Institute of Siddha Medicine very soon.

Sri Lanka, Jaffna

Sri Lanka, is an island country located southeast of the Republic of India and northeast of the Maldives it earlier known as Ceylon is a beautiful Island popular as “Pearl of the Indian Ocean”. Jaffna is the capital city of the Northern Province of Sri Lanka. It is the administrative headquarters of the Jaffna district located on a peninsula of the same name. The city is home to number of educational institutions established during the colonial and post-colonial period. It also has number of commercial institutions, minor industrial units, banks, hotels and other government institutions.
